IRS Section 125 Plan

Election and Salary Reduction Agreement
Plan Year January 1, 2023 – December 31, 2023

All employees of the Church are eligible to designate a portion of their compensation for the reimbursement of eligible medical or dependent care expenses. The amount(s) so designated are not considered wages and therefore are not taxable for federal or state income tax purposes and are not subject to FICA or Medicare taxes.

All group insurance premiums may only be reimbursed through the “premium only plan.”

Those employees who participate in a “High Deductible Health Plan” may be eligible to designate an amount to be deposited to their Health Savings Account. These amounts may be changed at any time.

Those employees without a Health Savings Account may participate in the Medical Flex Spending Plan. For Medical Flex Spending, the annual amount must be designated before January 1st and may not be revoked except under a “change of status” as defined by the IRS. For reimbursement, the employee must submit receipts to the church office. Any expense allowed as a deduction on IRS Schedule A may be reimbursed, such as physician care or co-payments, prescriptions, dental care, eyeglasses, or vision care. Reimbursement may only be made for care received between January 1, 2023 and December 31, 2023, regardless of when the employee is billed or pays for it. Up to \$610 may be carried forward to the next Plan Year. **Any Medical FSA amount in excess of \$610 that is unused by the employee after December 31, 2023 will be forfeited to the church.**

For Dependent Care, the annual amount must be designated in advance and may not be changed, with **any unused amount forfeited after December 31, 2023.**

The maximum amounts that may be designated are:

Medical “Premium Only Plan”	up to total salary
Employee contribution to HSA	maximum amount (including employer contributions) up to \$3,850 (individual) or \$7,750 (family plan), with an additional \$1,000 allowed if you’re over age 55
